# SBU

Shahid Beheshti University (SBU) is one of the most prestigious universities in Iran. Established in 1959, SBU combines the tradition of a classical university with the dynamic character of a modern and interdisciplinary scientific enterprise. Since 1990, the university has placed more emphasis on postgraduate, in particular PhD, and research programs, while still aiming to enhance the quality of its well-established undergraduate courses. Students at the university are inspired by an outstanding and rewarding academic environment not only in Iran but also in the region. The university and the members of the academia are at the forefront of world research in many fields, and the teaching is informed by the very latest developments in each discipline.
